Rimarah Hare is one of the most talented performers, choreographers and instructors in belly dance. Her unique style blends the best aspects of belly dance with samba and Brazilian dance arts. Energetic and powerful, Rimarah is a master of improvisation, music interpretation and emotional expression.

Born in Sao Paulo, Brazil, she had her first contact with belly dance in 1996. In 1999 she was ranked among the top seven dancers of Brazil during the Third National Competition of Belly Dance. Rimarah opened her first studio in Brazil where it still operates under the direction of her sister Zur. Rimarah moved to the United States in 2001 to teach and perform. Her early education in belly dance includes studying with some of the most famous dancers in the world such as Marroco, Serena, Delilah, Aziza, Jillina, Dina, Mona el Said and Lulu Sabongi. In 2004, Rimarah was awarded first place in one of the Belly Dance Superstars Competitions in Dallas. She founded the Eyes of the Desert professional troupe in October, 2004.

Rimarah Hare will be sharing with us 2 hours of fabulous combinations & 2 hours of Samba-Bellydance fusion.

Shakira of Columbus, Ohio, will be teaching a 1-hour seminar on the most popular forms of Debke. Debke is a traditional form of Arabic line dancing and can be found at almost all Arabic parties, weddings, and nightclubs. Shakira teaches and performs internationally, in a variety of styles. Her 26 years of Middle Eastern dance enhanced by her certification in "Being in Movement ® Mindbody Training" has made her a most exceptional dancer.

Leyla Soleil will be teaching a 1-hour seminar on MAKEUP FOR DANCERS. eyla Soleil has been working with makeup for over 15 years. She has been employed with some of the top cosmetics companies such as Clinique, Elizabeth Arden and Glemby Salons. Her experience lies in applying makeup for weddings and special events but considers her specialty to be theatrical makeup. She holds a portfolio of various makeup looks from the Kent State University's theatrical department and is currently the official makeup artist for the Cuyahoga Valley Youth Ballet. Being a professional belly dancer as well as a makeup artist has led Leyla to experiment with many different looks to see not only what looks best, but also what types of makeup hold up under sweat. If you are a dancer or training to be one, this class will help you bring out your best!
